

Notice to Mariners № 03 of 2020

Jersey South Coast, St Helier harbour – BA Chart 3278

(Update and re-issue of Notice to Mariner № 11 of 2018)

Holding pontoon

Mariners are advised that a pontoon of 2m in width x 36m in length has been established in the north end of St Helier main harbour; east of the St Helier Marina entrance and parallel with the axis of the New North Quay.

The pontoon is lit by a fixed red lantern on the southern end.

The pontoon has been established primarily for the use of charter vessels and local or visiting vessels are not permitted to moor on it.

This notice will remain in force until further notice.
