

Notice to Mariners No 04 of 2020

Jersey South and West Coast – BA Charts 2656, 2669, 1137, 3655 and 2675

La Corbiere Lighthouse

Mariners are advised that, following works that took place on La Corbiere Lighthouse, the characteristics of the lighthouse have changed as follows:

- Existing Charted Characteristics: Iso.WR.10s36m18/16M
- **New Characteristics: Iso.WR.10s36m18/14M**

The only change is the range of the red sector of La Corbiere Lighthouse being reduced from 16 nautical miles down to 14 nautical miles.

Notice to Mariners No.30/2019 is cancelled and superseded by this notice, which will be cancelled once formal chart correction has been issued by the United Kingdom Hydrographic Office.

Captain Bill Sadler
Harbour Master, Jersey Harbours
