Guide to visiting St Helier

Super yachts and training vessels

Pilotage

Pilotage is undertaken by Jersey Harbours and charges are detailed in the Commercial Tariffs published on portsofjersey.je, unless otherwise stated.

Pilotage is compulsory for all vessels **35 metres and over** in length, or if carrying **13 or more passengers**. Sailing vessels with a bow sprit are calculated using their waterline length.

Berths

All berths detailed below are **Commercial Berths** and are subject to ISPS compliance.

Albert Pier – No 3	Sump 3.4m BCD	Length 104m	Quay height ACD 13.0m
Albert Pier – No 2	Depth 2.0m BCD	Length 64m	Quay height ACD 13.0m
Victoria Pier – East Cross	Depth 2.2m BCD	Length 73m	Quay height ACD 13.0m

Shore access is via landing stages built into the Quay. Sailing vessels should consider yard height at LW and any possible conflicts with the Quay height.

Amenities and Services

Water Water is supplied by Jersey Water

Tel: +44 (0) 1534 707300 Email: info@jerseywater.je

Electricity 16A and 64A available, charged at JEC rate per units consumed (Albert Pier)

Waste Euro bins and recycling points are available on the quay

Fenders Yokohama fenders are available and provided by the Marine Operations Section of Jersey Harbours

Linesmen Vessels must arrange for approved line handlers to facilitate their approval/departure. Self-mooring is only permitted with the approval of the Harbour Master, following assurance that a risk assessment, briefings and appropriate PPE are in place.

Solent Stevedores are approved Line Handlers : tel: +44 (0) 1534 724401
