

JA-AOP-039 Helicopter Operations

1. Policy

- 1.1 Jersey Airport has a responsibility to ensure safe operations for helicopters using Jersey Airport.
- 1.2 Jersey Airport has produced this procedure to ensure the safe and orderly movement of helicopters as part of its regular operations.

2 General

- 2.1 Any civilian helicopters shall be handled by either the Jersey Aero Club or Gama Aviation.
- 2.2 Helicopters under 1400kg may be handled by the Jersey Aero Club and shall be parked on the grass area southwest of holding point Hotel, space permitting.
- 2.3 Helicopters over 1400kg or those requiring AVTUR Jet A1 shall be handled by Gama Aviation and parked on their apron.
- 2.4 Parking of Military or Search and Rescue helicopters will be at the discretion of Air Traffic Control.
- 2.5 Helicopters shall not be allowed to park on the same stand as fixed wing aircraft. The exception of this rule is during the Jersey International Air Display week or on the Gama Aviation Apron under the guidance of a qualified marshal.
- 2.6 Helicopters using Jersey Airport shall use the main runway for arrivals and departures as no specific helicopter landing area exists on the Aerodrome.
