TARIFFS 2025

Marina Tariffs 2025

Whether you are a local boat owner, visitor to the Island or simply passing through, Jersey Marinas offers over 1,000 berths across its three award-winning marinas – St Helier Marina, Elizabeth Marina and La Collette Marina.

Jersey Marinas holds the prestigious '5 Gold Anchors' status, an internationally recognised symbol of quality awarded by The Yacht Harbour Association, recognising the quality and level of facilities and services provided to boat owners and providing a trustworthy measure of excellence.

Located on the New North Quay, adjacent to St Helier Marina, the Marine Leisure Centre is staffed by a knowledgeable, experienced and friendly team, many of whom are multi-lingual.

The centre is open all year and the team can provide a multitude of information and advice, ranging from advising on the services and facilities offered by the marinas, to helping visitors make the most of their stay in Jersey.

As well as the day-to-day management of all marinas and outlying harbours, the Marine Leisure Centre staff are also responsible for allocating marina berths and issuing long-term and monthly berthing contracts.

1. The User agrees that the berth/mooring allocated is suitable for the vessel and accepts that it is moored at the Owner's/User's risk and not to hold Jersey Marinas responsible for any loss or damage howsoever caused;

3. To comply with all directions of the Harbour Master or his representative, and in particular, to the manner and position in which the vessel is moored;
4. That the berth/mooring may only be used by the vessel, which is subject of this allocation: no other vessel may be moored unless having received prior permission from the Harbour Master or his representative;
5. That the berth/mooring will not be left vacant for a period exceeding one calendar year. Only occupancy by the vessel that is subject of this allocation is valid;
6. The user agrees that Jersey Marinas, at its sole discretion and without compensation of fees, may use the berth for mooring of other vessels when not in use by the User's vessel, provided that Jersey Marinas shall use its best endeavours to ensure the berth, or a suitable alternative, is available for the User upon the vessel's return;

 - a. Exceptions: St Catherine's, St Aubin's Outer and Belcroute moorings where the User is to provide, fit and maintain in good working order all dead men, ground chains, fittings, ropes and buoys.
8. To accept the right of the Harbour Master or his representative whenever necessary in their opinion for the safety of the vessel, or other vessels/property nearby, to board, enter, move, moor or carry out emergency work on the vessel as is deemed necessary.
