

Notice to Mariners № 13 of 2019

Plateau Des Minquiers - BA 3656

Back Mark Removed

The metal cross that denotes the back mark of the Rocher Blanc transit in to the lagoon at Les Minquiers has been permanently removed due to structural concerns and on safety grounds.

The white patch on the rock will remain, as will the front mark (red).

This notice remains in force until the appropriate chart corrections and pilot book amendments have been made.
