

## Notice to Mariners Nº 02 of 2025

### Chart BA 3278 – Saint Helier

## Diving Operations – Saint Helier

Mariners are advised that several planned diving operations will take place within the areas marked on the Admiralty chart (Figure 1), commencing on Monday, 3 February 2025, and expected to conclude on Thursday, 6 February 2025.

During these operations, the safety vessel "Geo-Seahorse" will be in attendance, and the "ALPHA" flag (Figure 2) will be displayed at the worksite to indicate the presence of divers below. Times of work from 7.30am to 5pm each day.

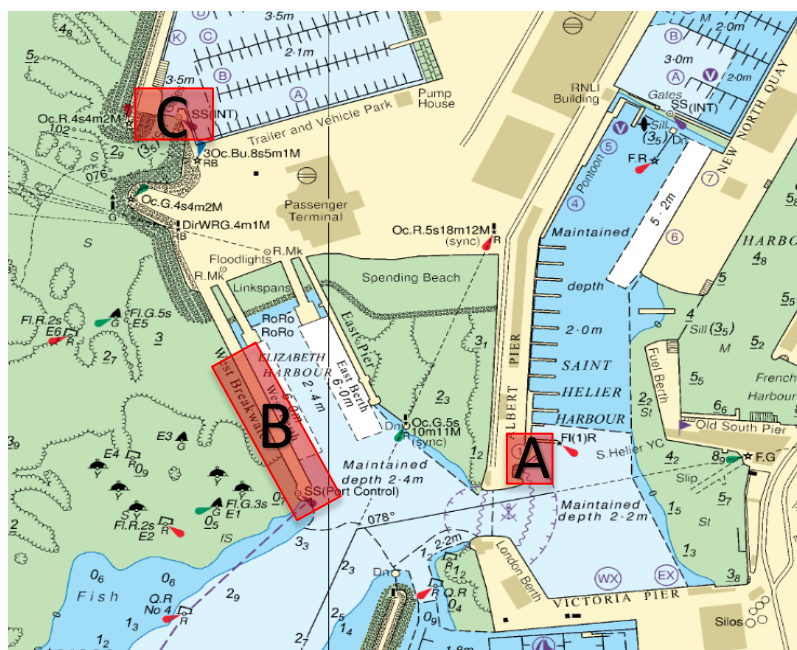

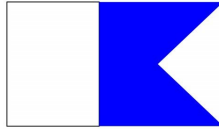

Figure 1-BA 3278 - Areas of Diving Operations

Mariners are requested to listen to St Helier VTS on VHF channel 14, to navigate with caution and not to create a wash when passing diving works.

Area A – Albert Pier, No 1 Bankseat – Monday

Area B – Elizabeth West Wall – Monday after completion of Area A and then Thursday

Area C – Elizabeth Marina Storm gate – Tuesday, Wednesday
