

Notice to Mariners No 03 of 2026
Chart BA 1138 Jersey East Coast

St Catherine's Slipway Restricted Access

Mariners should be aware that a scaffolding tower will be erected at the bottom of St Catherine's Slipway from 04 February 2026. The structure will be in place for a minimum of 7 days whilst ground investigations take place on the slipway.

During the works vessel access will be restricted on the slipway. Mariners are requested to keep a safe distance from the structure and proceed in the area with caution and minimise wash near the slipway.

The scaffolding will be 10 metres in height so will still be visible during high tide, suitable lighting will be fitted so that the structure is visible in periods of darkness.

This notice will be cancelled when works are completed.
