

Notice to Mariners № 09 of 2021

St Helier Harbour | BA3278

Piling Operations for the Installation of New pontoons on the Albert Pier

A jack-up barge will be onsite for the installation of piles for the new pontoons along the length of N°1, 2 & 3 berths on the Albert Pier.

Piling work is due to commence on the 12th April 2021 through until mid June 2021.

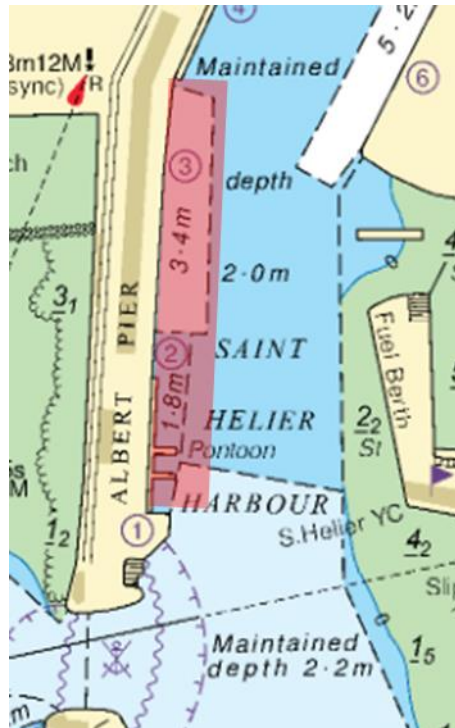

Installed piles will remain in a standalone position for a short period before pontoons are connected. They will be indicated with a marker buoy for visibility at HW.

Mariners are requested to navigate with caution within St Helier Harbour during these works.

Mariners can obtain an update on the barge location from St Helier VTS on VHF ch14 to assist with navigating within the harbour.

There may be some restrictions with the use of the existing Albert pontoons relating to lifting operations. A further notice to mariners will be issued in relation to this part of the works in due course.

Chartlet showing the area of works.

This notice will self cancel on the 30th June 2021.
