

Notice to Mariners No 11 of 2021

St Helier Harbour | BA3278

Albert Pier Project | Pile Lifting Operations

Piles will be lifted from the Albert Pier into the harbour over the existing Albert pontoons.

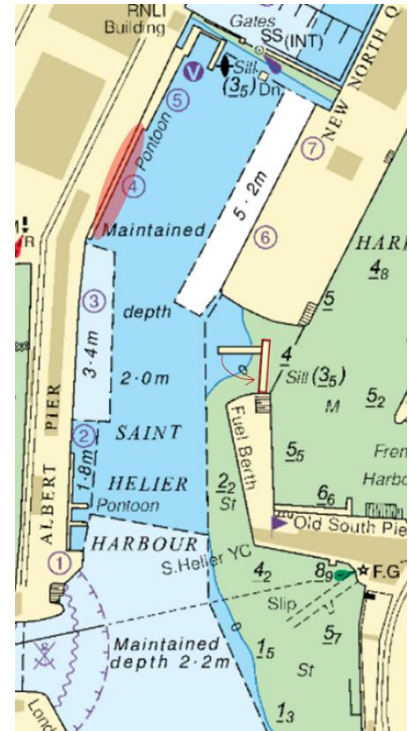

Lifting operations will commence on the 20th April.

During lifting operations (approximately once every 3 days from 20th April) the southern section of the pontoon will need to be closed and so will be unavailable for layby of leisure vessels.

Each lift will take approximately 2 hours. The period of closure for each lift will be kept to a minimum.

Signage will be displayed on the pontoons giving notice of which areas should be kept clear and when.

Mariners are advised during these periods to use D pontoon in La Collette for holding, or contact the Marine Leisure centre for alternative options.

This notice will self cancel on the 30th June 2021.
