

Notice to Mariners № 16 of 2020

Jersey Territorial Waters

Diving Operations

Mariners are advised that the Guernsey Hyperbaric Chamber is now available for emergency use.

Diving operations, including recreational dives, may now take place providing they conform to Government guidance and that divers remain cognisant of the risks in order to alleviate pressure on health care and emergency services. Further advice can be found at <https://www.gov.je/health/coronavirus/Pages/Index.aspx>

Notice 11 of 2020 is now cancelled.
