

**Notice to Mariners No 22 of 2024**  
**Chart BA 1137 Approaches to St Helier**

**Obstruction – West Park St Aubin’s Bay**

Mariners should navigate with caution within the area of West Park in St Aubin’s Bay, on Jersey South Coast.

Figure 1 Worksite location highlighted in red dashed area

Engineering works are being completed on the shore line where a work site is operational during periods of low water. Obstructions may remain when the area covers on times of high water. Mariners should be aware of obstructions that may be fully covered, or awash and navigate with caution.

This notice will be cancelled when the works are completed.
