

Notice to Mariners No 02 of 2021

Jersey Harbours

GoJ Safer Travel Testing Programme and travelling to other jurisdictions – COVID-19

Mariners are advised of the following requirements relating to all vessels and passengers wishing to land persons ashore in the Bailiwick of Jersey including all harbours and outlying reefs. This includes Jersey residents returning on-board leisure vessels that have landed ashore in other jurisdictions outside of the Bailiwick of Jersey.

All arrivals must adhere to the Government of Jersey Safer Travel Testing Programme.

1. Registration

All persons arriving into the Bailiwick of Jersey must complete pre-registration prior to arrival for Public Health purposes. For further information on the requirements please see the links below:

- Government of Jersey – Coronavirus Travel Information
<https://www.gov.je/health/coronavirus/travel/Pages/index.aspx>
- Safer Travel Programme Pre-Registration Form
<https://goj-bat.powerappsportals.com/>

2. Isolation

All persons must isolate on arrival for 14 days unless given permission not to do so; permission not to isolate may be received by taking part in the **Safer Travel Testing programme**.

Safer Travel Testing programme - Countries and/or regions are categorised Red, Amber or Green based on their case rates of COVID-19. With **each category having its own testing and isolation requirements**. Country and regional travel classifications can be found here [Gov.je - Country and regional travel classifications](#)

Arriving passengers are categorised based on their travel history (where they have stayed overnight) for the 14 days prior to arrival in Jersey. For example, persons arriving from a GREEN zone will be subject to AMBER isolation requirements if they have stayed overnight in an AMBER zone within 14 days of arrival to Jersey. Detailed information on testing and isolation requirements can be found here [Gov.je - Travelling to Jersey](#)

3. Visiting Leisure Vessels

In addition to the requirements of the Safer Travel Programme, visiting leisure vessels wishing to land persons ashore **must** pre-book a berth, prior to arrival, with Jersey Marinas and will be required to arrive at the designated port of **St Helier only**. Visiting vessels arriving in St Helier that have not pre-booked will not be accepted. Jersey Marinas can be contacted on +44(0) 1534 447730 / 447708 or jerseymarinas@ports.je to book a berth.

****Mariners required to isolate may not go ashore for any reason other than attending the test centre or in a medical emergency.** Mariners must ensure they are self-sufficient regards supplies and have all on-board basic facilities, as no shore access will be possible. **

4. Travelling to other jurisdictions

Mariners including leisure vessels and Small Commercial Vessels are also reminded to ensure they have checked the pre-arrival requirements of other jurisdictions they are planning to visit or carry passengers to. Official Government advice from the appropriate authorities of other jurisdictions should be referred to and requirements may include but not be limited to:

- Pre-registration
- Pre-departure testing
- Arrival testing
- Isolation requirements
- Essential only travel restrictions

This notice will remain in force until further notice.
