Maintaining diving in La Collette Marina, Elizabeth Harbour and Elizabeth Marina

Mariners are advised that maintenance diving will be taking place in La Collette Marina, Elizabeth Harbour and Elizabeth Marina commencing the 16 March 2016 for approximately three days.

St Helier VTS will provide hourly navigational warnings on VHF Channel 14 informing mariners of the location of the diving operations.

Dive operations will be scheduled around shipping movements and divers will be required to exit the water on notification of passing traffic.
