

Safety Bulletin 11 of 2016

Maintenance Diving in St Helier Harbour, St Helier Marina and Elizabeth Marina

Mariners are advised that maintenance diving will be taking place throughout St Helier Harbour, St Helier Marina and Elizabeth Marina commencing Monday 19 September 2016 for approximately five days.

St Helier VTS will provide navigational warnings on VHF Channel 14 informing mariners of the location of the diving operations.

Dive operations will be scheduled around shipping movements and divers will be required to exit the water on notification of passing traffic.

Details of the dives are as follows:

- Monday 19 September - St. Helier Marina entrance gate
- Tuesday 20 September - Elizabeth Marina entrance gate
- Wednesday 21 September - La Collette Yacht Basin
- Thursday 22 September - Albert Pier Foundation Survey
- Friday 23 September - Victoria Pier Foundation Survey
